

Planning on burning grass, bush piles or stubble?

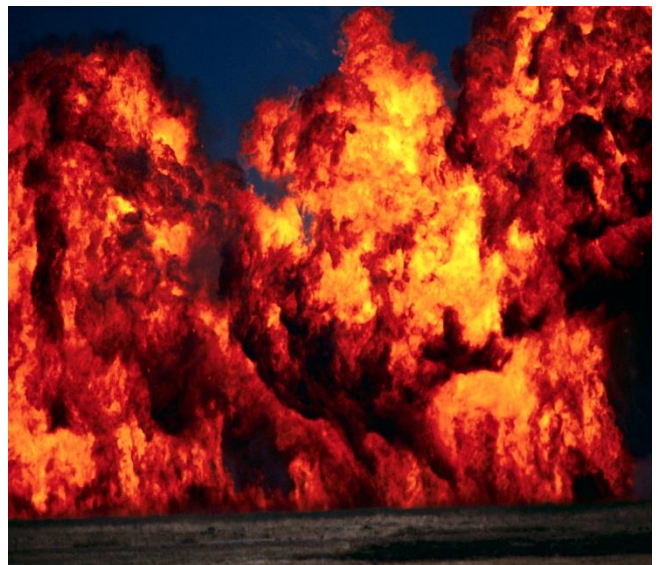

Please ensure you are well-prepared
and that you have fire-guards in place.

Controlled burns also need to be reported by calling

1-866-404-4911

so please have the following information ready to provide:

- Land Location
- RM Number
- Fire Service Provider
- Location Details
- What you are burning
- How long your burn will last
- Your name and contact number

Once the burn is completed, make sure to call the number
back to report it.
