

RM127 Equipment Operator

The RM is seeking an equipment operator for road maintenance, construction and repair. Having a Class 1A is considered a definite asset. RM equipment includes graders, track-hoes, skid steer, semi's, end/belly dumps, tractors, mowers and more.

As an equipment operator, you will work with our team to maintain, repair and engage in road construction projects. This position may also include installing and cleaning culverts, mowing ditches, erecting signs, hauling clay and gravel or other related RM tasks.

If you have experience as an equipment operator, general knowledge of maintaining and servicing equipment, a positive and collaborative approach to teamwork and high regard for safety, the RM of Francis would like to hear from you!

The RM offers an excellent health and dental plan as well as a pension plan.

Please send your resume and salary expectations to:

RM127 Administrator
