Please follow the instructions, regulations and guidelines as the RM/purchasers/users are all subject to audits including documents and site visits. Return any unused product (no stockpiling). Thank you all for your cooperation!

THE RM OFFICE REQUIRES THESE DOCUMENTS

(Before you can purchase Strychnine)

- Purchase Information and Treatment Plan
- Signed declaration

Please be advised – the producer who takes the training must be the one to pick up (purchase) the strychnine at the RM office.

UPDATE: An order for product has been placed by the RM of Francis, but supply and delivery are currently unknown. To ensure a smooth distribution process for our ratepayers, we encourage you to complete the following and bring into the RM office at your earliest convenience if hopeful for a July 15-Sept 1 application period, however, we cannot guarantee distribution:

1. Complete the **online training certification** for producer
2. Fill out the Form 1 (**Purchase Information and Treatment Plan**)
3. **Sign the declaration form – bring all forms to RM office**
4. We will call you upon product availability and make arrangements for pick up
